

Product Name	Portable Ice Maker		
Model	ST-Z6Y1	Control Panel	PVC Push Panel
Material	PP	Voltage	220V-240V/110V
Frequency	50/60Hz	Rated Current	0.7A/0.85A/2.0A
NW/GW(KGS)	6.5/5.9		
Product Dimensions(mm)	283*214*299	Package Dimensions(mm)	310*265*330
Ice Qty(pcs)/Cycle	9pcs	Ice shape	Bullet
Ice Size	S-small / L-large		
Water tank capacity(L)	1.1L	Ice Storage Capacity(kgs)	0.4kg
Ice Making Capacity(kg)/24h	8-10kg/24h	Ice Making Time(min)/Cycle	7-8min
Add Water	Manually	Climate Type	SN/N/ST
Ice full/ Water shortage/Self-Cleaning	Yes	Refrigerant	R600a
Accessories	1xIce basket, 1xIce shovel, 1xWater plug	Power Options	US Standard Plug 110V60HZ, EU Standard Plug 220V 50HZ

Features

- **Overheat Protection:** Ensures safe operation by automatically shutting off when temperatures exceed safe limits.
- **Automatic Cleaning Function:** Simplifies maintenance by automatically cleaning the ice maker at regular intervals.
- **Brand Compressor:** Utilizes a reputable compressor brand for efficient and reliable ice production.
- **Portable:** Compact and lightweight design allows for easy transport and placement anywhere.
- **Certificates:** Holds certifications including CQC, CB, CE-EMC, CE-LVD, ETL, ensuring compliance with quality and safety standards.

Product Name	Ice Maker (Home Use)		
Model	ST-Z6D	Control Panel	Touch Panel
Material	ABS	Voltage	220V-240V/110V
Frequency	50/60Hz	Rated Current	0.7A/0.85A/2.0A
NW/GW(KGS)	9/8.2		
Product Dimensions(mm)	315*232*337	Package Dimensions(mm)	360*275*380
Ice Qty(pcs)/Cycle	9pcs	Ice shape	Bullet
Ice Size	S-small / L-large		
Water tank capacity(L)	1.5L	Ice Storage Capacity(kgs)	0.5kg
Ice Making Capacity(kg)/24h	10-12kg/24h	Ice Making Time(min)/Cycle	6-10min
Add Water	Manually	Climate Type	SN/N/ST
Ice full/ Water shortage/Self-Cleaning	Yes	Refrigerant	R600a
Accessories	1xIce basket, 1xIce shovel, 1xWater plug	Power Options	US Standard Plug 110V60HZ, EU Standard Plug 220V 50HZ

Features

- **Overheat Protection:** Equipped with overheat protection to ensure safe operation by automatically shutting off in case of excessive heat.
 - **Automatic Cleaning Function:** Simplifies maintenance with an automatic cleaning function that keeps the ice maker clean and hygienic.
 - **Brand Compressor:** Utilizes a trusted brand compressor to ensure efficient and reliable ice production.
 - **Smart Touch:** Features intuitive smart touch controls for easy operation and adjustment of settings.
- Control panel: 3 buttons: ON/OFF and Function selection 5 indicator lights: *S (green) , *L (green) , *Power Supply (green) *Add water (red) , *Ice full (red) , *clean (Large and small ice indicator lights flashing back and forth)
- **Certificates:** Holds certifications including CQC, CB, CE-EMC, CE-LVD, ETL, ensuring compliance with quality and safety standards.
